# Wheelchair accessible vehicles for supporting people with disability in the South West

## About Southern Wheels

Southern Wheels offers an alternative approach to wheelchair accessible transport for people with disability in the Lower South West to not only attend appointments and services, but also to visit family, attend events and enjoy all the features of the local community and further afield.

The program will commence on 1 December 2017.

## Vehicles

Southern Wheels has Toyota Hiace wheelchair accessible vehicles garaged at two hubs, operating seven days a week from 8am – 6pm.

**Busselton Ringtails Motel**  
6 Pries Avenue, Busselton

**Manjimup Manjimup Toyota**  
7-9 Giblett Street, Manjimup

## Using Southern Wheels

The vehicles are available to support anyone who requires transportation in a "transport approved" mobility device. As a service provider you can register for the program, and nominate drivers by completing the DSO Registration Form which can be found on the Southern Wheels website: [www.southernwheels.org.au](http://www.southernwheels.org.au) or by contacting Southern Wheels on 1300 868 280.

Once registered and approved, bookings can be requested by emailing [bookings@southernwheels.org.au](mailto:bookings@southernwheels.org.au) or calling 1300 868 280.

## What will I be required to pay?

The cost to use a Southern Wheels vehicle is a set fee of \$60 per day, which includes unlimited kilometres. In addition you will be required to refuel the vehicle before returning it. Payments are payable directly to Southern Wheels, and will be invoiced monthly to your organisation.

*Individuals can register, book and use Southern Wheels vehicles independently from an organisation. They will be required to provide pay for the booking via Credit/Debit card or EFTPOS at the time of vehicle collection.*

## Other costs

You are required to pay the insurance excess of \$1000 should damage be caused when using a Southern Wheels vehicle.

In addition, when you (or your representatives) use any Southern Wheels vehicle, the booking organisation is responsible for any traffic infringements incurred.

## Extended Travel requests

If you require a vehicle for more than 72 hours (3 days), special approval is required and this will need to be discussed with the Program Manager. The Program Manager will confirm with you if the request is supported.
